*Prices obtained February 2018. U.S. cash price for a 90-day supply calculated using the average after-discount price of the fifteen least expensive pharmacies listed on GoodRx.com using New York, Florida, and Arizona resident pricing for each medication. Canadian mail order pricing calculated using the average price of 3 Canadian mail order pharmacies listed on CIPA.com. Canadian product pricing is for Health Canada approved brand name products, dispensed by a pharmacy licensed in Canada.*
